PINBALL EXPO

The 20th anniversary

We bless all the persons concerned of
20th annual International PINBALL EXPO,
14-17 Oct. 2004.

Tokyo Pinball Organization

In 1990, there came the first Japanese participants to The Pinball Expo.
The four explorers were our **Masaya**, **Kazuyuki**, **Kenji** and **Yoshihiko**.
We never forget to thank that **Rob** and pinball people there heartily welcomed us.
And we made them realized that such pinball nuts were also in Japan.
We four were in pinball dreams at that time. And today, many Japanese
enthusiasts became coming to see the dreams here in Chicago, the pinball capital
of the world.

Since 1977, We've been doing activities for love, peace and pinball games!
